Old Business

Bill Landis is still looking for bids for the removal the shed. Mrs. Musser has said we don't have to move the shed by December 31, 2018. She would give us several weeks grace period to remove it from the property.

We are still looking for a new field. We do have several areas which we are talking to people about.

New Business

Bill Landis, and Adam Barefoot are to make arrangements to transfer the bank accounts to Bill.

After last month meeting Thom Anderson approached Tom Duffy about us leaving certain items at the field for the new club. He mentioned that the new club would compensate us for the items. Tom was asked if there has been a decision made on what items they would be interested in. He advised not at this time. He was reminded if they were still interested they need to let us know because we were not mind readers.

We will be having a work detail on Sunday December 16, 2018 to begin the process to remove our property from field. All member are encouraged to come
